# TRAINING CENTER

**MAZZELLA AND ITI INVITE YOU TO EXPERIENCE THE PREMIER CRANE, RIGGING, AND LOAD HANDLING TRAINING FACILITY IN THE NORTHEAST!**

## WHAT TO EXPECT

ITI Training Centers are state-of-the-art facilities across North America that provide hands-on crane, rigging, and load handling learning opportunities where students can test and expand their working knowledge under the expert guidance of ITI Instructors in a controlled environment using real-world equipment and tools.

- Enhanced knowledge, skills, and overall competence
- The latest techniques and best practices
- Professional growth for individuals and teams
- A more skilled workforce
- Uniform standards and best practices across your load handling operations
- Hands-on experience and industry specific expertise
- Increased awareness of industry regulations and standards
- Improved efficiency and safety
